

# First time guide

**Welcome to the World of Aedelore first time guide. It will walk you through creating your first character.**

1. Go to [Character Sheet](#) and print it, usually your DM will have done this for you.
2. Have a look at the [Character creation sheet](#), your DM will help you with this, but have a look at it and familiarize yourself with it.
3. Go to [Races](#) and select the race you want to play as.
4. Go to [Classes](#) and select the class you want to play as.
5. Go to [Religions](#) and select the religion you want to devote your character to, please mind that this is highly optional, it will make your playing more interesting, but will also add a layer of complexity.
6. Have a look at the different [Abilities](#), your DM will help you with this before you start your first adventure.
7. Have a look at the [Rules](#).
8. Read the [Creation Story of Aedelore](#), limit the reading to:  
Dawn of the 4'th birth  
Aedelore  
Arrival of the firsts
9. Read some [Folk-Lore](#) if you want to give yourself a brief history lesson and sense of the world.

**The following is highly optional and if you want everything in your adventure to be a surprise, dont follow these steps:**

1. Read the rest of the Creation story in the [Rivermount Library](#)
2. Have a look at the [World Map](#)
